

C.V.

Name : Amjad Hamead Ali Alhusiny

Address : University of Karbala/College of education for pure sciences / Department of Mathematics

Phone contacts : 07704317922 , 07723328155

Email address : Amjad.Alhusini@uokerbala.edu.iq

(Link to staff profile homepage – including Skype address, LinkedIn)

Nationality

EDUCATION/ACADEMIC QUALIFICATIONS

Msc. in Mathematics /University of Baghdad/College of sciences/1988

EMPLOYMENT HISTORY

- **Administer of department of Mathematice**
- **Administer of department of Computer science**

PUBLICATIONS

- 1. Coflat modules and exact sequence.**
- 2. Fuzzy soft modules over fuzzy soft ringes.**
- 3. FSFS Neotherian and Artinian modules**
- 4. A Novel Compressing a Sparse Matrix using Folding Technique.**
- 5. On algebraic properties of zero devisors and prime elements of Z_n when $n = a^r$**
- 6. A Novel Compressing a Sparse Matrix Using Folding Technique .**
- 7. Software package to implement operations on the permutation.**

TEACHING EXPERIENCE

- **Lecturer in university of Karbala since 2014**
- **Lecturer in Kufa University 1995-2014**
- **Lecturer in university of Baghdad 1992-1995**
